

# MATHS MASTERCLASSES

FOR PARENTS

*Empowering parents to effectively support their children at home, enabling children's achievement of 'mastery' in maths.*

## Get Excited: Information Event

Come along and find out about the Maths Masterclasses for Parents Programme, what's involved and benefits to your school.

Date: Wednesday 21st September 2022

Time: 4:00 - 4:30pm

Location: Zoom

Attendance is FREE for all school staff

Presenter:

Paul Carpenter, Assistant Headteacher at Grampian Primary Academy and Programme Lead

Please [CLICK HERE](#) or scan to book your place:

"During the course, I could see my confidence growing and I was able to repeat most of the exercise carried out in class at home with my son... if a parent learns how to identify the role of maths in every moment of their lives, they can use it to support their kid's knowledge and boost their confidence in the subject!"

- Parent on the Programme
