

November 2022

Oracy Bitesize

Spoken language skills are 'one of the strongest predictors of a child's future life chances' Voice 21 (2015)

Evidence determines that too many children are not being given the opportunities to develop these crucial skills explicitly and purposefully. The impact of Covid-19, the pandemic and school closures has further widened the language gap, particularly for the disadvantaged.

AUDIENCE

- SLT
- English Subject Leaders
- Classroom teachers

DATE

16th November 2022

COST

£25 per person

TIMINGS

3.45pm-4.45pm

KEY LEARNING OUTCOMES

- evaluate the culture of oracy in your school by reflecting on the most recent evidence about the fundamental importance of oracy skills on life chances
- examine the positive impact of improved oracy on pupil confidence, mental health and wellbeing
- consider how the deliberate, explicit, and systematic teaching of oracy across phases and throughout the curriculum ensures consistency and high expectations
- takeaway simple strategies and techniques to improve listening and questioning
